

**Resumption of October 9, 2019 Meeting
Thursday at 5:00 p.m.**

County Council President, Elizabeth Jones announced that recess called in the October 9th County Council meeting has now ended and the meeting will again come to order.

Those present: council: Mike Bear, Todd Chase, Lance Collier, Lisa Fisher, Andy Haskell, Elizabeth Jones, and Rachel Schuler and the county auditor, Carolyn Green.

The business of the budget was resumed.

The president reminded the Council that the recess had been called to give the Nurse Managed Clinic time to bring their 2020 budget recommendation into compliance. Members Lisa, Rachel, and Elizabeth explained that the problem resulted from invoice overpayment by the Nurse Managed Clinic to the Switzerland County Emergency Response. By adjusting line items, the departmental budget balanced. In order to pass the budget the NMC has to have their proposed budget equal their proposed revenue for 2020 of \$208,369.00 and not go over that amount.

Judge Coy explained additional reductions that his office was prepared to offer the county. Sheriff Morton commented on aspects of the proposed budget that affected his department.

Lisa made the motion to accept the Switzerland County proposed 2020 budget, seconded by Mike and the motion carried.
