

SWITZERLAND COUNTY BOARD OF COMMISSIONERS

SPECIAL MEETING – MONDAY, SEPTEMBER 12, 2022 @ 1:00 PM

The Switzerland County Board of Commissioners met in a special session pursuant to law and by being duly advertised.

Those present: Commissioners: Jamie Peters, Grant Dean, maintenance personnel, Wesley Poling, county administrator, Susie Swank, and Auditor, Yvette Emmich.

The meeting started promptly at 1:00 PM.

The special meeting was scheduled to meet with two contractors concerning the next steps in renovating the Courtroom.

Master plaster, Terry Wullenweber from Milan, IN presented his recommendation on the veneer plaster system to restore the ceiling. If selected, Terry would hang the board, apply the plaster, and restore all the decorative molding that was removed during the mold remediation process. Additionally, Terry will patch any damaged existing decorative molding.

Ben Steinhauer with Construct Stabilize and Restore Collective presented a holistic approach to addressing the exterior water intrusion concerns. If selected, Ben's team will clean, scrape, caulk and paint the exterior of the windows, pressure wash clean and seal building with a water repellent solution, tuck point bricks and limestone, replace 3 damaged windowpanes, repair areas of soffit, gable, corbels, and trim, and paint several areas.

Jamie Peters requested these quotes be presented at the Monday, September 19th meeting for a formal vote.

The meeting adjourned at 2:50 PM.

Attest: _____
H. Yvette Emmich, Auditor
Switzerland County, Indiana
